AFFIDAVIT OF PROBABLE CAUSE

STATE OF IOWA, COUNTY OF MUSCATINE, SS:

I, the undersigned, state the following facts known by me, or told to me by other reliable persons, form the basis for my belief that the Defendant committed this crime:

On February 16, 2013, at approximately 1:39 a.m., Officer MINNAT PATEL of the Muscatine Police Department was dispatched to the intersection of Eighth Street and Iowa Avenue in Muscatine, Muscatine County reference an intoxicated driver. Officer PATEL was told the vehicle may be heading in the direction of the Clarion Hotel, located at ~~300~~ North Highway 61. He was further advised the suspect vehicle was a silver Dodge Durango.

2915 gone*

At approximately 1:50 a.m., Officer PATEL stopped the aforementioned vehicle which was operated by DAVID FAUST. The vehicle stop took place in the 300 block of Cleveland Street in Muscatine Iowa. Officer THOMAS A TOVAR of the Muscatine Police Department assisted with the OWI stop. Also within the suspect vehicle was an adult female. FAUST was arrested by Officer PATEL for Operating a Motor Vehicle While Intoxicated (OWI). The adult female was also intoxicated. After FAUST was placed under arrest, Officer TOVAR volunteered to transport the adult female to her hotel room within the Clarion Hotel located at 2915 North Highway 61 in Muscatine, Iowa.

Due to her level of intoxication, the adult female recalls the OWI stop but has very little recall on how she was transported from the vehicle stop to the Clarion Hotel. The adult female does remember a male being on top of her on the bed in the hotel room. The male was wearing clothing with uniform-like material and was lying over the top of her and consoling her. The following morning, FAUST was released from jail and returned to the hotel. When FAUST walked in the room he observed the adult female laying on the bed in a fetal position with no clothes on. The adult female normally does not sleep without clothes, which, in connection with the memory of the male on top of her several hours before, gave concern that she had been sexually assaulted.

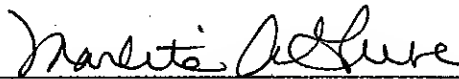

DAVID FAUST called the Muscatine Police Department and filed a complaint. Lieutenant TONY KEYS of the Muscatine Police Department went to the Clarion Hotel and interviewed FAUST and the adult female. THOMAS TOVAR was waiting outside of the hotel while the interview took place and the adult female identified TOVAR as the individual who was on top of her in the hotel room earlier that morning. A voluntary search was conducted on the room used by FAUST and the adult female. Said room, Room 121, was searched by Officer DUSTIN GARNER of the Muscatine Police Department. As part of his search, Officer GARNER seized the bedding as well as the clothing worn by the adult female. The aforementioned items were hand delivered by S/A RAHN to the DCI Criminalistics Laboratory on February 25, 2013, at approximately 1:24 p.m.

On March 1, 2013, Special Agent RAHN met with THOMAS TOVAR and his attorney, MURRAY BELL. Said meeting took place at the Stockton Highway Patrol Post. The purpose of the meeting was to obtain buccal swabs pursuant to an 810 Order. TOVAR provided said buccal swabs. The swabs were mailed to the DCI Criminalistics Laboratory via certified mail on March 4, 2013.

KRISTAN EVANS, a criminalist for the DCI Criminalistics Laboratory, found four(4) sperm fractions on the seized bedding that matched the known DNA profile of THOMAS A TOVAR. Additionally, screening test performed on three (3) areas in the crotch of the adult female's blue jeans indicated the presence of seminal fluid. The profile indicated the presence of a mixture of DNA from more than one contributor. Assuming a two (2) person mixture, the profile of the major contributor matched the known profile of THOMAS A TOVAR.
